Dear Parent:

Help your child succeed in school! As a result of the federal No Child Left Behind Act, your child may be able to receive extra help in mathematics and reading. You can receive free tutoring because South Scioto Academy (SSA) is identified for improvement, and your family meets the income limits under the law.

In order to help your child do better in school, you can now choose a free tutoring program in your area. A list of programs that have been approved by the Ohio Department of Education is included. The programs will provide tutoring that is coordinated with what is being taught in school. Each program is different. You will need to review the information for each program and decide which is best for your child.

Think about the answers to these questions to help you decide:

- When and where will the tutoring take place?
- How far is it? Please note that transportation to the tutor and to your home may not be provided.
- How often the tutor will meet with your child and how long is each tutoring session?
- What programs, by grade level and subject areas, are provided by that tutor?
- What type of instruction is used (e.g., small group, one-on-one, or computer based instruction)?
- What are the tutor's qualifications?
- Does this program seem to fit your child's needs?

Included in this letter is a Tutor Selection Form. If you would like to select a tutor from the list, complete this form and return it to Christopher Hoyt at the school office. Your Tutor Selection Form is due by September 15, 2011 for your child(ren) to be eligible to participate. It is important that you select a first, second, and third choice of providers due to limited availability.

If the district receives more applications than there is space available, students will be selected based on academic need. Students who demonstrate the greatest academic need will be offered services first. If your child is not selected to receive tutoring services, you will be notified by mail. If your child is selected to receive services, we will send a confirmation letter to you, the provider you selected, and your child's school.

Sincerely,

Steve Mostyn, School Leader

Please read the information below and respond by checking the box that applies:

I would like my child/legal ward to participate in free tutoring.

○ I understand that I may not receive my first choice of SES Providers (because the provider's minimum number of students is not reached or the provider is no longer able to serve my child's school). Therefore, I am selecting my top three choices of state-approved providers from the SES Provider list that was sent to me.

My first choice is _____
(Name of State-approved provider)

My second choice is _____
(Name of State-approved provider)

My third choice is _____
(Name of State-approved provider)

○ I understand that the district will enter into an agreement with the provider, and will meet with me and the provider to set academic goals for my child.

○ I understand that the provider will regularly inform me and my child's teacher(s) of my child's progress.

○ I understand that if funds are insufficient to cover the tutoring services for all of the students who choose to participate, then participation will be based on prioritized academic need as defined by the district.

○ I understand that I have the right to terminate services early if progress made is unsatisfactory or the provider does not fulfill requirements as outlined in the agreement.

○ I understand that my child's name, phone number, and academic information will be given to the selected provider.

I would not like my child/legal ward to participate this academic year in the Supplemental Educational Services free tutoring program.
